F Schools for Choice Scholarship Student Eligibility

2014-2015 School Year

February 25, 2014

The A through F grades issued in the fall of 2013 for school performance in the 2012-2013 school year will be used to determine the F schools for eligibility purposes for the 2014-2015 Choice Scholarship Program. If a student would be required to attend one of the public schools listed below based on their residence and the student was a member of a household that satisfied the income eligibility criteria, the student would be eligible to apply for a Choice Scholarship. Please note that a student is not required to have previously attended the F school. The list below is sorted alphabetically by school corporation name.
